

The Public Safety Group

ACTIVE SHOOTER

The Active Shooter has become a part of modern society. Active shooter incidents range from Columbine High School to the Edmond Post Office, Ok. The role of the call taker/dispatcher is critical and your knowledge of the active shooter protocol will help you save lives. This is the most comprehensive and **only** online active shooter class on the market. The class will not only give you a historical perspective but will review numerous incidents including actual 9-1-1 calls and radio tape. The class will even look at what future active shooter incidents may involve.

PREREQUISITES:

None

BENEFITS OF TAKING THIS COURSE:

After taking this course, you will be able to:

- Know what the Active Shooter is.
- Develop techniques to respond to active shooter incidents.
- Improve and expand your call taking & dispatching techniques.
- Know what to expect.

WHAT YOU'LL RECEIVE:

- The ability to interact with your peers – discover common problems – find out what's working for them – share information and materials – build a support network of friends in 'like' positions
- One-on-one mentoring - feedback and assistance from your instructor as you learn how to better handle calls.
- Certificate of Completion awarding **2 CEUs** upon successful completion of the course
